Volume 44 Issue 2 The Village Painters is an affiliated chapter of the National Society of Decorative Painters March/April 2021 Web page http://www.villagepainters.net

Presídent's Corner

Good Day Ladies,

I'm baaaccccckkkk! And I am delighted to be.

I cannot thank Sheri enough for stepping in when I was overwhelmed with life. Thank YOU! Thank You! Thank You!!!

I am really excited about taking over the helm at this time. The Village Painters are growing (82 members), mostly due to Diane Stiller's work on ZOOM. Thank you, Diane. We currently have members all over the United States. I think that is very cool. Many chapters did not survive the pandemic, and we not only survived but grew and because of that we automatically qualify for the Chapter Achievement Award. Pat yourself on the back.

Your board is currently working on bringing our document retention program into the 21st century. Kathy Fischer has led the task force in this endeavor. Thank you, Kathy.

I am currently leading a task force to look at our jobs and their descriptions with the goal of streamlining them to make it easier for everyone to be able to take a more active part.

So, here's to another great year of fun, friends and painting.

Linda

Thank you to our newest board members! Linda Christopher, President Denise Robert, Vice-President Connie Vasilnek, Sunshine

Education: Diane Stiller

The hummingbird zoom class was instructed by Diane Stiller with permission from Sherry Nelson. There were 23 participants. Everyone had a great time. Check out the photos and see how well everyone did.

Next up is A Calm Sea, a pattern by Tracy Moreau and part of the SDP paint-in program. Kathy Ziemba will be teaching this mixed media class.

In April Nancy Silver will teach Jill Fitzhenry's pattern, Forever Loved Rose. I hope everyone is taking advantage of the 30% discount that Jill is allowing for anything purchased on her web site through April 30. If you would like to register for this class, there is still time to let me know. The deadline is April 2. I hope to email the pattern, supply list, and prep instructions sometime this week. Don't forget that you need to purchase the e-packet yourself. Nancy's supply list and prep instructions will be a little different than what the e-packet says.

In May, Kathy Ziemba will teach three garden paver and Quik Wood designs. You may want to purchase the Quik Wood for the project as soon as possible given that some of the stores that we rely on to purchase it from may be out of it. Bear with Us, which is going out of business, still has some. Put "wood epoxy" to search for it on their web site. Once they are out of it, they will no longer stock it. You will need two 2 oz tubes, maybe three just to be safe; depends on how large you make your Quik Wood designs.

If you want to participate in any of the zoom classes, please send in your registration form. Don't miss including your phone number and email address so that I can contact you! If you are not registered, I don't know to send you the pattern, supply list, and prep instructions.

DID YOU KNOW

Especially in this time of isolation, you don't need to stop connecting and painting. There are tons of groups on Face Book offering classes, videos, sharing, and chatting. It's fun to see what others have been painting and to continue to learn new techniques.

Here are just some of the Facebook groups:

Paint Happens, Artful Webinars, Tole Painters Unite, Let's Paint With Plaid, Create & Connect, Creative Innovations, Deco Art, Artfully Connected, Artful Endeavors.

Also, many teachers have their own groups. Just log on to Facebook and do a search.

In place of live trade shows, there is Onlinemarket Spot by Crafters and Creatives.

Most of these groups require you to become a member, but that's just to limit the group to people who are interested in painting.

Join the fun and check them out.

MEMORY BOXES and TREASURE BOXES

Thanks to all who continue to paint Memory and Treasure boxes 🎔

I would like to collect any finished boxes at the August 12th picnic. If you are not coming to the picnic, and have finished memory or treasure boxes, please contact me and I will arrange to meet with you to pick them up. I will be bringing more unfinished boxes to the picnic for you to take home. If you have "old" unfinished boxes laying around this would be a great time to finish them so the Treasure Boxes can be delivered to Shriners, and the Memory Boxes to various hospitals. There is a need for more boxes for boys.

You're all awesome!

Thanks,

Rondi Bur 734-718-7984, bursnest@yahoo.com

Village Painters August Picnic

We plan on doing our best to also have the seating reasonably distanced.

We will be having some of our regular general meeting activities including:

More information will follow in upcoming newsletters!

Looking forward to getting back to a little bit of normal!
