

Better-Than-Almost-Anything Cake

- 1 German chocolate cake mix
- 1 can sweetened condensed milk
- 1 large jar butterscotch-caramel ice cream topping (Sanders)
- 1 Cool Whip
- 3 or 4 Heath bars (crushed)

Prepare cake as directed on box and bake at 350 degrees in a 9x13 pan.

While cake is hot, poke holes in it using the handle of a wooden spoon.

While cake is still hot, pour sweetened condensed milk into the holes.

Let cake cool.

Pour the butterscotch/caramel topping over the cake.

Frost with Cool Whip topping and sprinkle with crushed Heath bars.
