Medium: Acrylic

Suggested Surface<sup>(Circle one)</sup>: Wood MFD Glass Metal Vinyl

Fabric Plastic Other \_\_\_\_\_

Any Special Brushes or Supplies: \_\_\_\_\_

What will students learn either in prepping, painting, finishing, embellishing, or sealing the project?

Please keep in mind that the entire project needs to be completed in class since we are supplying the surface and all of the paint and painting supplies. If there is any prepping, then you will have to do it. You will need to coordinate with Linda Christopher in order to use the paints that she is storing at her house for the program.

Please submit your application with a color photo to Diane Stiller, 674 W. Canfield, Detroit, MI 48201 postmarked no later than July 20, 2014. At the August General Meeting, there will be a popular vote by the membership in order to aid in the selection of the projects for 2015. A photo of your project will be displayed if you don't have the project painted at that time. If your project is selected, then you will be expected to bring your painted project to the October General Meeting. Three to four projects will potentially be selected.
